

Abandoned, Neglected or Detrimental regulations

The Environment, Climate Change and Land Reform Committee took evidence from Roseanna Cunningham MSP, Cabinet Secretary for Environment, Climate Change and Land Reform on the abandoned, neglected or detrimental land regulations (Part 3A of the Land Reform (Scotland) Act 2003 as introduced by the Community Empowerment Act 2015). The regulations were passed, but members of the Committee did express reservations. SLEs concerns in relation to the restriction period, ballot information and forestry plans were highlighted. The session can be watched [here](#). The relevant section begins at 10.01.
