THE WILDLIFE ESTATES CHARTER

To become a supporter of Wildlife Estates Scotland, you agree to ten commitments which stand at the core of the international Wildlife Estates Label:

- 1.** Identify a manager or supervisor to have overall responsibility for the accreditation process and label.
- 2.** Undertake active management following a long-term integrated wildlife and habitat management plan.
- 3.** Maintain records and monitor the implementation of the wildlife and habitat management plan.
- 4.** Undertake sustainable land management activities.
- 5.** Ensure a sustainable balance of game, livestock and wildlife and their shared habitats.
- 6.** Improve biodiversity conservation and ecosystem health.
- 7.** Comply with legal requirements and relevant national codes of practice, as well as consideration of relevant international biodiversity and conservation commitments.
- 8.** Where applicable, collaborate with national authorities and agencies in the management of the landholding, with the aim of achieving a level of earned recognition and autonomy.
- 9.** Maintain active engagement with local communities and undertake education and awareness-raising activities.
- 10.** Make the required effort to apply for Level 2 Accreditation within five years.
